The Baron's Place
San Juan, Metro Manila

Letter of Intent

We are writing to formally express our intent to lease the **30sqm space** at the ground floor of The Baron's Place, San Juan. We plan to establish a **Slow Bar Café and Workshop Space** for our brand- **Matchanese**, designed to create a unique cultural and community experience centered on Japanese Green Tea.

Matchanese is a specialty matcha brand dedicated to making high-quality Matcha more accessible and exciting. We currently operate two stores in Metro Manila and host interactive workshops that bring people together to discover matcha in creative ways. Through our drinks, desserts, and experiences, we aim to reimagine how people connect with matcha, building a brand that is both modern and rooted in tradition.

We believe that the space being considered provides an excellent location to bring our vision to life, and we are confident that this new concept will contribute positively to the vibrancy of your property.

We are prepared to comply with your leasing requirements and are ready to place the necessary **deposit and other requirements** upon confirmation of terms.

We look forward to discussing the lease terms and next steps with you at your earliest convenience. Please feel free to reach us through the contact details below.

Thank you for your time and consideration.

Sincerely,

A stylized, handwritten signature in black ink, appearing to read 'CD' or 'Cristopher David'.
