IMPORTANT REMINDERS

This work permit must be accomplished in three (3) copies before the activity and submitted to Wellspring Retail, Inc. (WRI) Maintenance Department.

This will also serve as Entry/Exit Gatepass for contractor personnel, company equipment, marketing collaterals, and merchandise that will be brought inside the venue during the activity.

All workers should be confined to work area only. Loitering especially in the restricted areas within WRI are strictly prohibited.

All information to be provided in this form must be clearly defined/described and written clearly and legibly.

Only information provided (name of personnel, company equipment, marketing collaterals, and merchandise) written and declared in the form may be allowed by Security to be brought inside the venue and can be brought out during pull-out.

Cleanliness should be maintained at all times. WRI Management shall be given advance notice prior hauling of debris or delivery of materials.

All items not declared in this permit shall be withheld by Security. Only until documented and cleared by Asst General Manager can this be brought out.

Damages to Wellspring Retail Inc. property and surrounding areas due to work specified here shall be charged to the

This filled out and approved Work Permit should be presented to Security prior to any pull-put/egress of company equipment, materials and merchandise.

This permit should be safekept by the requesting Supplier as this will be the basis for any pull-out activity.
